CONSENT ORDER

This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of a patient complaint from Danuta Dmochowski concerning dental treatment performed by the respondent consisting, in pertinent part, of construction of a bridge on teeth #3 to #8. The Board reviewed the entire record in this matter consisting of the patient charts, X-rays, records of the subsequent treating dentist, and further information acquired at an investigative inquiry attended by the respondent together with his counsel on August 19, 1992. This review disclosed that the bridge was fabricated despite the existence of apparent periodontal disease and possible TMJ involvement which compromised the entire case. It further appears to the Board that the patient treatment records prepared by the respondent contained no periodontal charting and no clinical charting.

It appearing that the respondent desires to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS ³⁴ DAY OF ^{FEBRUARY} ~~JANUARY~~, 1993,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall make restitution to the patient in the amount of \$1,421.00 by submitting a certified check or money order payable to Danuta Dmochowski in the amount of \$1,421.00 to the Board of Dentistry at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102, no later than the first day of the month following the entry date of this Order.
